

February 17, 2026: On Meet Your New Boss Same as the Old Boss

- 1) Jewish people do not hold a monopoly on what is and what is not Nazi-ism. I am sick of only seeing Jewish people mentioned when it comes to the holocaust. Plenty of Catholics, Christians, and many other 'chosen' people were killed by these monsters and it is up to **all of us** to call it out when and where we see it to prevent this from ever happening again!

One image shows men being marched to their death. The pictures are thought to have been taken by Guenther Heysing, a journalist attached to Nazi propaganda minister Joseph Goebbels's unit

Catholics

Main article: [Nazi persecution of the Catholic Church in Germany](#)

The Nazis persecuted the Catholic Church,^[74] with the Nazi leadership hoping to gradually de-Christianize Germany. According to the World Holocaust Remembrance Center, "By the latter part of the decade of the Thirties, church officials were well aware that the ultimate aim of Hitler and other Nazis was the total elimination of Catholicism and of the Christian religion."^[75] Hitler vehemently despised Christianity, calling it the enemy of National Socialism. According to historian William Shirer, "under the leadership of Rosenberg, Bormann and Himmler—backed by Hitler—the Nazi regime intended to destroy Christianity in Germany, if it could, and substitute the old paganism of the early tribal Germanic gods and the new paganism of the Nazi extremists".^[76] He also wrote that Hitler "inveighed against political Catholicism in *Mein Kampf* and attacked both of the Christian Churches for their failure to recognise the racial problem...". As reported in *The New York Times*, Hitler's forces wished to de-Christianize Germany after "the final victory" and destroy Christianity.^[77] According to historian Alan Bullock, "Once the war was over, [Hitler] promised himself, he would root out and destroy the influence of the Christian Churches, but until then he would be circumspect."^{[78][79]} Political Catholicism was a target of Hitler's 1934 Night of the Long Knives.^{[80][81][82]} German clergy, nuns and lay leaders were also targeted after the Nazi takeover, leading to thousands of arrests over the following years.^[83] Priests who were part of the Catholic resistance were killed. Hitler's invasion of Catholic Poland in 1939 began World War II, and the Nazis targeted clergy, monks and nuns in their campaign to destroy Polish culture.

2) Dark Brandon was a creation of the same exact people that are controlling 'Super-Chump' (although now he is going by the Flash since I 'enlightened' him to the messages of the Kabbalah).

Dark Brandon

The phrase "**Dark Brandon**" was initially a meme created by online [progressives](#) to parody supporters of "Dark [MAGA](#)", a prediction promoted by former U.S. representative [Madison Cawthorn](#)^[62] that former president Trump would return to power "with a vengeance".^[63] It copies the "fashwave" aesthetic used initially by [online supporters](#) of figures like Donald Trump or Ron DeSantis.^{[64][65]}

In September 2022, [the phrase was used to mock Biden and compare him to Adolf Hitler](#), during his [Battle for the Soul of the Nation speech](#) on Trump and his supporters.^[66] During the speech, TV cameras framed Biden in front of a background illuminated by red lighting, along with two uniformed Marines on either side, with [The Guardian](#) calling it "dark", and [New York Magazine](#) saying the speech prompted "numerous comparisons of Biden to Hitler and Satan".^{[67][68]}

The term was soon comically adopted by Biden's supporters and used in memes to support Biden's presidency.^{[69][70]} The term is currently used by both his supporters and his opponents.

Speaking anonymously, the diplomat said: "I am appalled by this cynical use of Nazi imagery and Hitler comparisons by a member of the United States Congress."

President Joe Biden delivered an impassioned a primetime speech Thursday night from Independence Hall in Philadelphia, Pennsylvania. Alex Wong/Getty Images

3) Meet your New Boss, Same as the Old Boss (Vessels used by Nazis inside of the military to carry out their evil agenda).

Opinion | Pete Hegseth's military reforms threaten US security

Visit >

4) These are the actual people that are turning American people into Nazis and the world into America's enemy. They are the Nazis that have invaded militaries since our very beginning.

They believe in punishing others in order to enrich themselves. They believe in the very ideals of an anti-Christ, Satanic, structure of might is right and that nothing will stand in their way of obtaining anything and everything that they want, desire, or seek to conquer.

They are Militurds and their philosophy is stupidity.

Remember when Congress 'took a stand' and said 'no more military strikes in Venezuela without Congressional approval' and then immediately backed down and went back to their kennels. Yea, me too. World, our savior is not inside of the USA government and it certainly isn't inside of the USA military!
